

2026 Boston Bruins Alumni Game

March 14, 2026
At Amelia Park Arena
4:00pm

Dear Business Leader,

On Saturday March 14, 2026 Amelia Park Arena alongside 104th Fighter Wing's "Barnestormers" Hockey Team, will be hosting the Boston Bruins Alumni Team. This fundraising event will benefit both the arena, and Thunderbolt Council, Inc.

Amelia Park Arena is a non-profit organization who strives to provide an A+ facility and safe space for the youth of our community. The Thunderbolt Council is a foundation whose mission is to "to wholeheartedly support and honor the men and women of the 104th Fighter Wing. As a 501(c)(3) non-profit organization, we are dedicated to providing vigorous assistance, resources, and advocacy for the brave individuals serving in this outstanding unit".

This event will be a core fundraiser for the two non-profit organizations. For Amelia Park, all sponsorship dollars will be going right back in to the facility for ongoing projects, helping them to continue to provide a top tier facility for families at an affordable price. For the Thunderbolt Council, the funds will directly support the morale, welfare and readiness of the Airmen of the 104th Fighter Wing. Funds are used to enhance Wellness Center (MWR) activities, promote professional development opportunities, and sustain community support initiatives. Additionally, contributions help recognize the dedication and achievements of unit members through various awards and appreciation programs, reinforcing a strong, resilient and mission-ready force.

With an affordable ticket price of \$10 a person, we are anticipating the game to draw hundreds of fans from all over the Pioneer Valley.

We are reaching out to all local businesses and individuals with the opportunity to sponsor our event or advertise in our 2026 Bruins game program. The details of our sponsorship levels and game program are provided in the following pages. Your contribution at any level will help make this event a major success.

On behalf of Amelia Park Arena and the Thunderbolt Council/104th Fighter Wing, we sincerely appreciate your consideration and support!

Billy Fellows
General Manager
Amelia Park Arena
